This is the 11th album by Science O.C.N. and the first album of cycle two. It is also the first time, that Science O.C.N. collaborates with another artist.

There is another project based on tracks of 6. and 8. called „The originators“ (<https://originators.bandcamp.com/>).

Credits:

Written and produced by RI. All instruments by RI.

Recorded, mixed and mastered by RI at Science2.

Vocoder on 6. and 8. by Olaf Jürß (a.k.a. The Source of Time).

Artwork by Sebastian Sollfrank.
